

Highlights from IAG's Fantastic Signature Sale 100!

International Auction Galleries' upcoming auction - Signature Sale 100 in September - is set to become another numismatic highlight event! The auction opens for online pre-bidding on the 20th of August, with the final live auction to be held from the 10th to the 12th of September. A record number of vendors are represented in Sale 100, including banknotes from the Estate of Trevor Wilkin, rare issues from the Estate of Harold Peake and a number of other estates. With an auction total of over 2000 lots, this auction is packed with rare, collectable and bargain items for every numismatic enthusiast. Pre-sale estimates are sitting at over \$2.5 million, pointing to Sale 100 being another landmark for Australia's foremost boutique numismatic auction house!

The king of the colonial series – an attractive 1813 NSW Holey Dollar

A key highlight going under the hammer in Sale 100 is a collection of colonial rarities featuring a superb NSW 1813 Holey Dollar on a Mexico 8 Reales 1796FM.

A Superb high grade example of the iconic 100 Pound Banknote

A superior grade 100 Pound - what is probably the second finest known of this extremely rare high denomination key banknote issue of the entire Pre Decimal series.

One of only two known Proof Sydney Mint Sovereigns 1856 PCGS PR 62CAM

Early gold proofs are extremely hard to find, with Sydney Mint issues a virtual impossibility to obtain! This rare gold coin is ex the Pretoria Mint South Africa Collection. A beautiful cameo proof example and highly important as such.

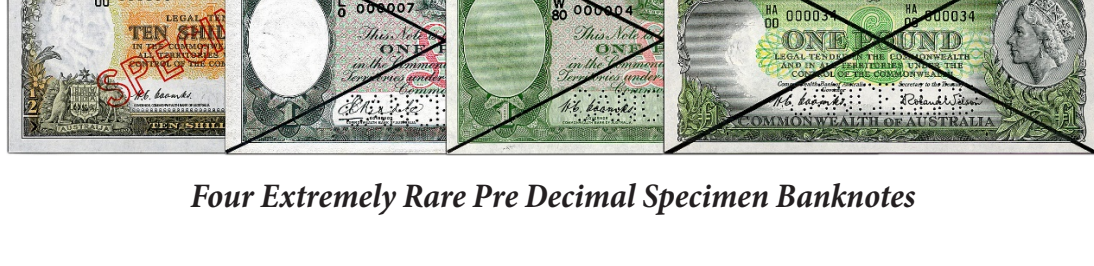

A trio of Key Banknotes of impeccable provenance that feature in this fantastic sale

Key early Pre-Decimal banknotes feature, with high grade examples of the 'square' 10, 20, and 50 Pounds. The 20 and 50 Pounds both have the impressive pedigree of ex the M.P. Vort-Ronald collection plate notes and feature in many articles.

One of the rarest and most beautiful proof gold issues known - PR 65+ DCAM

A more beautiful proof gold example would be hard to find than this 1896M Sovereign, graded as PR 65+ DCAM. A lovely frosty portrait with virtually flawless mirror fields make this ideal for any serious collection as a type coin.

Four Extremely Rare Pre Decimal Specimen Banknotes

Pre Decimal Specimen Banknotes are all extremely rare, with only a handful of most issues in existence. To have four different notes all in the one sale is truly extraordinary, especially at the sort of prices they have been listed for sale at!

A highly sought after rarity – the original 1967 Pattern Gold Swan Dollar

IAG has now offered two of these highly sought after gold patterns in the last year, giving those that missed out last time another chance to obtain this 'Unicorn' issue.

A few key decimal errors from the amazing 'Eridmatos' Collection

Signature Sale 100 features perhaps the largest and single most important collection of Australian Mis-struck error coinage known. The 'Eridmatos' collection, carefully curated over the last 12 years, comprises some of the most significant errors known.

Key rare British coins featuring many superb highlight rarities

Another significant feature in Sale 100 is an old Type collection of GB and Proclamation coinage featuring many highlight and rare items, with some in proof and many in really choice grade! Also included in this collection are some rare and interesting Counter-stamped issues, some rarely seen anywhere in previous years.

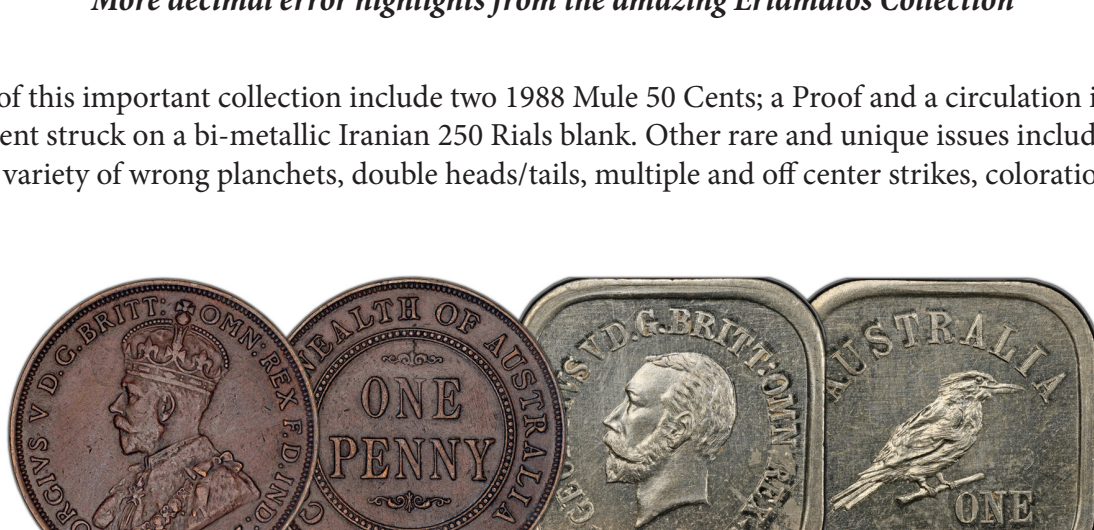

More of the key GB coins in gold from a lovely old collection

More decimal error highlights from the amazing Eridmatos Collection

Highlights of this important collection include two 1988 Mule 50 Cents; a Proof and a circulation issue along with a 20 Cent struck on a bi-metallic Iranian 250 Rials blank. Other rare and unique issues include many struck on a variety of wrong planchets, double heads/tails, multiple and off center strikes, coloration errors and more!

Other Highlights include a gVF/aEF 1930 Penny and a Type 7 Kookaburra Penny

These highlights are only a small sample of some of the fantastic lots on offer in this landmark sale! There is a great selection of gold issues including Half Sovereigns and Sovereigns, along with modern mint and bullion gold issues, a ranging selection of Pre Decimal coins - many PCGS graded including proofs - as well as Pre Federation Issued and Specimen notes, Pre Decimal and a huge selection of Decimal banknotes highlighted by numerous First and Last Prefixes, Special Serial numbered notes, Error notes include some rare examples from the Estate of Harold Peake and a large selection of Star notes in all grades with pairs and high grade key notes up to 20 Dollars including an Unc 5 Dollar Phillips-Randall pair. There is also a great selection of World Coins and Banknotes, a large selection of RAM and Perth Mint products, RAM rolls, NPA, bulk and quantity lots, Decimal coins and so much more!

Sale 100 will be online and open for bidding from the 20th August 2024

IAG's next 'Signature Sale' will be Sale 101 in March 2025. Vendors wanting to consign to that auction can do so now, with all consignments commission-free for all vendors. IAG has more than 3,500 registered and active auction buyers, so now is a great time to cash in on any coins and banknotes you have tucked away! To submit vendor lots for auction or for more information on this or upcoming sales see updates on IAG's website: www.iagauctions.com or phone (07) 55 380 300.
