

IAG's Significant Signature Auction 95 – 7th/8th May 2022

INTERNATIONAL Auction Galleries' next Signature Auction, Sale 95 - to be held on the 7th and 8th of May 2022 – we be open and online soon to view and bid on, with the Sale 95 catalogue also able to be downloaded soon!

A large Superfund collection including many high end banknotes has been recently added, which, along with the more than 60 vendors who have already consigned to this spectacular auction, adds to the impressive amount of highly

desirable items the quality starved burgeoning market is now keenly seeking.

Highlights of this latest collection include a One Pound Cerutti-Collins pair in aU/UNC. These are in truly superb condition, and by far the finest of only a handful of pairs known of this beautiful banknote. Another key highlight is a Five Pound 1914 Collins-Allen (R 36a) Blue serial numbered type - the finest of only three known and with impeccable provenance. The rarest note of all the Starnote series is also on offer; a Ten Shillings 1942 Armitage-McFarlane (R 13s) in aUNC, along with a consecutive pair of Ten Shillings 1961 starnotes (R 17s) in UNC headlining just some of the highlights from this impressive selection.

Other items of note catalogued for IAG's Signature Sale 95 include a Twenty Pound Superscribed Banknote -one of only two known - and a major rarity not seen on the market for 25 years. Also included is a Kookaburra Square Penny 1921 SP 65, an XF 40 graded 1930 Penny and a two high grade 1923 Halfpennies – one AU 58 and one aUNC, a large selection of Pre Federation issued and Specimen Banknotes, a Hay Internment Camps Sixpence consecutive pair in UNC and an Adelaide Pound Type II in aUNC. A strong selection of Pre Decimal coinage with many PCGS graded, choice grade and key date coins also feature.

A large selection of 30 Polymer specimen, trial and printers design trials issues comprises another interesting and highlight-filled section and sure to attract significant interest. Featuring many issues scarcely seen before, highlights include a specimen \$10 1988, 1993 and a \$50 specimen 1995, along with RBA printers trials and CSIRO trial notes including two different types of the \$50 from the original 1970's polymer trials and a rarely seen full Polymer trial sheet.

Another area to note in this sale are twenty George V and George VI Pre Decimal Proof coins that make the strongest offering seen on the market in
